

Unrestricted Funds

Unrestricted Funds provide the broadest giving option. This type of Fund gives the Foundation's Board the ability to respond to the needs of the community as they change over time.

Getting Started Is Easy.

An Unrestricted Fund is a personalized fund you create to impact our community for generations to come. A minimum of \$10,000 is needed to create your unrestricted fund. You can use cash, stock, or other assets gifted during your lifetime or at death to establish a named fund, qualify for an immediate income or estate tax deduction, and the Foundation will distribute grants that address our community's most pressing need.

It's Community-Oriented.

You want to help this community and its residents thrive. Our staff dedicates thousands of hours every year to reviewing and evaluating local nonprofits and to identifying and addressing Champaign County needs. All of this information guides the distribution of your funds.

Consider Unrestricted Funds if You:

- » Seek to support the changing needs in the community or your broad area of interest over time.
- » Believe in The Champaign Foundation's ability to determine needs and effectiveness of nonprofit programs now and in the future.

- » Seek to make the greatest impact possible with your charitable dollars.
