

Champaign
FOUNDATION

We need your help.

There's a new nonprofit in town! One who's mission is to improve the quality of life in Champaign County. Through a strategic partnership with the Springfield Foundation, the Champaign Foundation has formed to serve the needs of nonprofits, individuals and students throughout our community.

But we can't do it alone...

The Champaign Foundation is now seeking **FOUNDING MEMBERS** to help grow the Fund for Champaign County. This fund will be a permanent resource for local grants and community projects.

Will you lead the way as a **FOUNDING MEMBER and contribute a minimum \$1,000 tax-deductible gift to the Champaign Foundation?**

Together, we will make a difference!

SINCERELY,

THE CHAMPAIGN FOUNDATION BOARD OF TRUSTEES
